## EXPERIENCE

### SheCanCODE, kigali — *assistant Facilitator*

Sep 2023 - Feb 2024

SheCanCODE Bootcamp is an NGO (Non-governmental Organization) that trains females how to code, I started working as an assistant Mentor from September 2023 to February 2024, from March 2024 till now I work as a Mentor Working at SheCanCODE Bootcamp increased my working experience especially with females, Mentoring, Empowerment.

### Mbaza NLP, kigali — *Frontend developer*

Mar 2023 - 2023

Mbaza NLP Is a community working on Natural Language Processing (NLP) for Kinyarwanda and other low-resource languages.

For example, we are working on Kinyarwanda automatic speech recognition (ASR, also known as Speech-to- Text, STT), Text-to-Speech (TTS), and semantic Chatbot.

I've Worked on the development process of an NLP Project and I participated as a Frontend developer on building the Mbaza NLP website.

## TRAININGS

### Igire Rwanda Organisation, Kigali

Feb 2023 - May 2023

Took the 6 months Bootcamp of web Designing and software development. During the Bootcamp, I got an opportunity to dive deeper

Into HTML, CSS and JavaScript not forgetting React js and Express js.

### ATLP, Kigali

Jan 2024 - present

I've also attended The ATLP, which is a Software Engineering Program, which lasts for 9 months.

In ATLP we've focused on building fullstack (Frontend & Backend ) modern programs.
